Trucks Arrive in Ste. Genevieve Tuesday

The Ship by Truck Caravan consisting of 37 trucks of from 3/4 to 3 ton capacity and a number of touring cars and roadsters which left St. Louis Monday under the auspices of Commercial Car Bureau on a tour of S. E. Missouri and Illinois arrived in Ste. Genevieve from Farmington Tuesday afternoon. The pilot car in which were Robert E. Lee, Commander in Chief of the expedition, R. S. Rouschkoeb, of the Ship by Truck Bureau, W. L. Patterson, of the Commercial Car Bureau, and Charles A. Daues, St. Louis City Counselor, arrived a few minutes in advance of the train and were met by the local committee of the Commercial Club. The trucks were parked on the Court House square. After luncheon Dr. G. M. Rutledge, President of the Commercial Club, delivered an address of welcome and introduced Commander Lee, who made a brief talk followed by Charles A. Daues and R. S. Rouschkoeb. The schools were closed for the afternoon and all business was practically suspended in order to give everyone a chance to view the trucks and hear the messages of these men who are "showing us" what can be done with them. The expedition had a hard time pulling through the mud between Farmington and Ste. Genevieve and no compliments were paid to the road which is in a terrible condition and especially now owing to the recent rains. A large army truck went into a ditch and did not arrive in town until Tuesday night. At the conclusion of the program the trucks lined up and left for St. Mary's their next stop.
